

Dr Konstantinos Petsios

RN, MHS, MHM, PhD

Short CV – March 2020

Dr Konstantinos Petsios was born in Ioannina, Greece in 1977 and got his University degree from the Faculty of Nursing of the National & Kapodistrian University of Athens in 2001. His first Master of Health Science was in Clinical Nursing, specialized in oxygen therapy in children (2004) and his PhD was in Pediatric Nursing specialized in the Quality of Life in children with asthma. In 2019 he graduated a second Master in Health Management.

He is currently working in the “Onassis” Cardiac Surgery Center as a Clinical Research Nurse and he is in Charge regarding Audit of Clinical Outcome. He has been Lecturer (407/80) in Pediatric Nursing and Clinical Nursing Assessment in the University of Athens (2010-2012) and University of Peloponnese (2018-2019), respectively. He has more than 17 years of experience in clinical practice as an emergency care nurse, paediatric intensive care nurse and researcher/scientific collaborator. He has been a clinical educator in the Faculty of Nursing of the National and Kapodistrian University of Athens since 2002. He is now serving as an invited Lecturer in postgraduate level in Master Programs held by the Faculty of Nursing and the Medical School of the National and Kapodistrian University of Athens and the West Attica University.

He is the current General Secretary of the Directory Board of Hellenic Nurses’ Association (HNA) and he serves as a Counselor of the Pediatric Sector and the Emergency and Intensive Care Sector of the HNA. He is also the former Deputy Coordinator of the Pediatric Nursing Associations of Europe (PNAE). And he represents HNA in the ICN Meetings and in a several other European Associations (EFN, ESPNIC, etc). He has several publications in international and Greek medical journals and textbooks (Google Scholar: 638 citations H-index=13, Scopus: 280 citations, H-index=10, ISI Web of Science: 238 citations, H-index=10), oral and poster presentations in international and Greek congresses. He lectures as invited speaker in nursing congresses and other scientific events. He has participated in several organizing committees either as member or as president in scientific events, congresses, workshops, courses, etc.

Special interests: Paediatric Intensive Care, Research in asthma control, Paediatric cancer, Non-invasive mechanical ventilation, Congenital heart disease, Nursing ethics, General pediatric nursing care, Quantitative and qualitative nursing research, Intensive and emergency nursing, Nursing Administration, Human Resources Management and Clinical Audit.

Identifiers: Web of Science ResearcherID[®] O-5035-2019, ORCID 0000-0002-7962-040X
